

LETTER FROM LEONARD TRAUB

We are pleased with the significant accomplishments made at Alberta Wilbert Sales over the past 43 years. The efforts of our management and associates have dramatically improved efficiencies contributing to the constant growth of the company. We have also taken significant steps to improve the quality of our products and the timeliness of our deliveries to our customers. This should position us well in the future with our current customer base and with potential new customers as well.

I am most proud of the senior management team we have assembled over the last year. These dedicated men and women will continuously improve the Company's performance and its relationship with our customers. As of last October I am no longer active in the day-to-day activities, and will serve as advisor to our Board of Directors.

On behalf of our many great and dedicated Alberta Wilbert Sales associates and myself - I thank you for your continued support.

Sincerely,

Leonard Traub
